

## Happy Easter

Dear Friends:

### He is Risen!

As you've notice, Easter comes early this year ... **April 1<sup>st</sup>**. However, what happened on that eventful day, almost 2000 years ago, was NO "April Fool". Instead, it was the most glorious day in earth's history ... up to that point. And despite the fact that Jesus had been killed and buried, and the Jewish religious leaders thought they were finally rid of this "trouble-maker", Jesus steps out of that tomb and says: "***I'm alive!***"

By the way ... when I say that this was the "*most glorious day in earth's history ... up to that point*" ... the fact is, there is coming another glorious event in earth's history ... that Day when Jesus returns with His Bride (the Church), and establishes His kingdom.

### What a day of rejoicing THAT WILL BE!

That will be the day that the petition, in the "Prayer" Jesus taught his disciples to pray, will be answered: "Thy kingdom come, thy will be done, **on earth** as it is in heaven". On that Day, God's kingdom AND His will be fully realized throughout the universe.

Indeed ... **EVERY knee** will bow & **EVERY tongue** confess that Jesus Christ is Lord.

### He is risen indeed!

Yours for reaching the marketplace.
